FINE FOODS & CELEBRATIONS
ESTABLISHED 1985

Private Events at Julienne

Hello!

Julienne Fine Foods and Celebrations in San Marino has a long, established reputation for offering wonderful food and attentive service, set in a charming and historic building on Mission Street. We have hosted many corporate events on our garden patio and I'm writing to you to bring our special venue to your attention.

Our location is beautiful, private, quiet and is an attractive place for client appreciation receptions, introducing existing clients to one another, hosting board meetings, or any other types of events for your business.

Because our day-to-day business hours end in the late afternoon, our entire facility can be exclusively yours in the early evening. And as the weather warms up, our al fresco space is ideal for get togethers. The holiday season is a particularly magical time at Julienne.

A typical evening could comfortably accommodate up to 40 guests. Our service options include passed wine and appetizers, food stations or a hot dinner buffet.

Additionally, we are a short distance from your office and have an abundance of free parking in the adjacent lot.

I would be happy to discuss our offerings in greater detail and always welcome you for an in-person visit.

Thank you for your consideration!

Best Regards,

Julie A. Campoy
Proprietor
